WHERE TO SHOP My Art Place Studio and Gallery, **7** 20 North Leroux Street, (928) 214-7144, www.my-art-place.com, features the work of just one artist, Louis Buchetto, who has filled his tiny shop with creative, brightly colored landscapes and prints with funny sayings like, “Pizza is to a man what chocolate is to a woman.” You can get a custom-made 56-inch church pew for \$850 — or a magnet for \$2.
